

MAYOR BITUMEN COAT

BITUMEN EMULSION WATERPROOFING COATING

Description dark brown/ black liquid Solvent-based bituminous coating for permanent protection of concrete surfaces subject to aggressive soils.

Uses To protect concrete surfaces against attack of aggressive soils & subsequent backfills; such as :

- Retaining walls.
- Basements.
- Columns.
- Foundations.
- primer for bituminous rolli work

Advantages

- Easy application (Brush, roller or airless spray).
- No heating required.
- Increased coverage rates.
- Economical in use.
- Water Base.
- Adheres to a wide range of materials including concrete, steel, cork and wood .

Product Data Chemical Base Bituminous Emulsion
Color dark brown to Black
Backing 15kg
Drum 200 kg upon request
Shelf Life 18 months from date of production if stored properly in original unopened packing
Storage Conditions In dry conditions and under maximum temp. 40 °C.
Density 1.100 ± 0.05 kg/l

Application Details Coverage 2-3m² / kg for 2 coats depending on substrate porosity
Waiting Time / Over coating Min. 2 hours (depending on temperature)

MIXING Dilute with an equal quantity of cool, clean water then Stir material before application

APPLICATION METHOD / TOOLS Mayor Bitumen coat can be applied by brush, roller or airless spray gun. Normally two or three coats are required, depending on the degree of protection required. When Mayor Bitumen coat has to be covered with a screed, the final coat should be blinded with clean dry sharp sand as soon as it applied, after drying the excess sand should be brushed off.

CLEANING OF TOOLS

- Clean with water for non-hardened material use.
- Mayor Bitumen coat may be removed with white thinner.

**ECOLOGY,
HEALTH AND
SAFETY**

Ecology

In liquid state form, material will contaminate water and soil. Dispose of product residues according to local regulations.

**Safety
Precautions**

Mayor Bitumen coat may cause irritation to the skin and/or mucous membrane of sensitive people. If the material accidentally splashes into eyes, flush immediately with warm waters and seek medical representative.
